The image shows a login interface for the National Medicines Verification System. It features a blue header with the title 'National Medicines Verification System'. Below the header, the text 'Authorised Users Only' is displayed. There are two input fields: 'User Name' and 'Password'. A 'Sign In' button is located at the bottom right of the form area.

Enter the username and password you created during the signup (onboarding) and click Sign In.

If it has been a while since you last logged in, you may see this screen – click on the Change Password link and follow the onscreen instruction to select a new password according to their rules:

- Uppercase characters
- Lowercase characters
- Digits and Non alphanumeric characters (!\$%&=+@#.-\_).
